## iOS Eduroam Connection Guide

1. If you want to install a new eduroam profile or have changed your email address password, remove the eduroam profile you have previously installed. (Figure 1, Figure 2, Figure 3)

Figure 4

**3.** After connecting to the "eduroam\_setup" network, you will be automatically directed to "eduroam.bogazici.edu.tr" address. If the redirection does not occur, you can access the relevant page by typing "eduroam.bogazici.edu.tr/en" into the address bar of your Safari browser.

**4.** On the page that opens, tap on the link under the "iPhone & iPad (iOS)" menu to download the configuration file. (Figure 5)

Figure 5

5. Tap on the "Allow" button on the window that appears on the page. (Figure 6)

Figure 6

6. Select the "Settings" menu and then "Profile Downloaded" on your device. (Figure 7)
